No corners are cut; every step of of Joe's ushered transition to Josie is lovingly described and his crossdressing dilemmas are both pathetic and delectable...

Feminization Fixes Forever, and is strictly for adults over 18 only! He steps toward me and I see the tent in his shorts, the outline of the huge member that no doubt I will be better acquainted with soon. Oh God, no. The sexual tension is hanging in the air, mixed with my fear and humiliation, that I, a man, can be so easily overpowered, made completely obedient and subservient. Even when told to emasculate myself like this, to turn myself into a girl, I didn't even put up a fight. I gasp as he grabs my waist from behind, and pulls me into him. I can feel his manhood against my lower back. He holds my hair out of the way as he zips me into the dress. I'm spun around so we're face to face - well, my face to his chest, he's so much taller. He raises his hand and scares me, then grips the hair on the back of my head, pulling till it hurts. He's leaning down to kiss me, and pushes me into his big snaking tongue - there's no escape from making out. I feel his strong hands lift my dress for everyone there to see him groping my butt, and it feels like a minute before he breaks it off. He smiles down into my eyes and says two words. "Good girl." It was my sister Susan who changed my mind. I love my sister Susan very much but, by her own admission, she had always been a real bitch when it came to men. It was no surprise then for me to learn that she had a serious interest in Female Led Relationships. After several long and candid discussions and a few bottles of good wine, she convinced me that I could turn my current painful and destructive situation to my advantage. Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-

dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So, in particular, the reader should be warned that no penectomy or full-blown feminization takes place. The cover art is by Sorenutz and is taken from a commission I paid him to draw. "Dave King and Richard Ekins are the leading world sociologists in this field. The book brings together a brilliant synthesis of history, case studies, ideas and positions as they have emerged over the past thirty years, and brings together a rich but always grounded account of this field, providing a state of the art of critical concepts and ideas to take this field further during the twenty first century." - Ken Plummer, University of Essex

"An outstanding survey of the evolution of trans phenomena, splendidly written, highly informative, scholarly at its best, yet easy to read even for those neither trans nor sociologist. Ekins and King, experts in the field, unroll the panoramas of sex, gender, and transgenering that have evolved during the last decades. For everyone wanting to understand the interaction of women and men and of those who cannot or will not identify with either of these two categories, reading this book is a must, and a real pleasure." -

Friedmann Pfaefflin, University of ULM This groundbreaking study sets out a framework for exploring transgender diversity for the new millennium. It sets forth an original and comprehensive research and provides a wealth of vivid illustrative material. Based on two

decades of fieldwork, life history work, qualitative analysis, archival work and contact with several thousand cross-dressers and sex-changers around the world, the authors distinguish a number of contemporary transgendering 'stories' to illustrate: The binary male/female divide The interrelations between sex, sexuality and gender The interrelations between the main sub-processes of transgendering. Wonderfully insightful, *The Transgender Phenomenon* develops an original and innovative conceptual framework for understanding the full range of the transgender experience.
